Families currently enrolled; tuition must be current in order to secure a spot for the next session. First priority will be given to families that are current with their tuition. Parents returning their completed Anticipated Enrollment Form will be given the next priority. Anticipated Enrollment Forms are sent out twice per year.

Children currently enrolled in Playgroup (in good standing) have first priority with choice of days, alumni families and/or siblings of children have 2nd priority and then we go to the wait list. New children enrolling for the School Year Session have priority over the Summer Playgroup Session. However, your child does not have to attend Summer Playgroup to hold a spot for the School Year Session.

New parents, there will be a \$250.00 deposit taken to hold your child's spot. There is a one time \$30.00 enrollment fee also.

Playgroup

We accept new children two times per year (School Year Session & Summer Playgroup).
Enrollment open to children 2.5 thru 3 years (Preschool) 4 thru 5 years (Pre-K).

Keep in mind; children can come as many days as they are old; 2.5 years - 2 days, 3 years - 3 days, so on...

It is imperative for parents to stay in contact if interested in a spot for their child.
Please check in once every six months to let us know if you are still interested.
